

NIAS CONSCIOUSNESS STUDIES PROGRAMME

NATIONAL INSTITUTE OF ADVANCED STUDIES

Indian Institute of Science campus, Bengaluru 560012

niasconsciousnessprogramme@gmail.com

The NIAS Consciousness Studies Programme will be offering a few NIAS-Mani Bhaumik Short-Term Research Fellowships during 2016-2017

Below are the specific areas of research for which applications are invited for 2016-2017. To Apply, Send us a proposal (~ 1200 words) with your CV. Email your applications to niasconsciousnessprogramme@gmail.com

Last date to receive application is 20 October 2016

Area of Research:

Computational aspects of machine cognition and consciousness with emphasis on algorithms architectures for computer simulation.

Pre-requisites: A Bachelors degree in Engineering with specialisation in Computer Science and Engineering/Electronics/Electrical/Information Science or Technology stream, with a passion for programming, mathematics, and machine intelligence.

Area of Research:

Quantum theory, cosmology, and consciousness

Pre-requisites:

M.Sc. in physics with some knowledge of quantum mechanics and philosophy of science.

Area of Research:

Generativity in primate cognitive networks

Pre-Requisites:

An undergraduate degree, with interest in cognitive science and consciousness studies.

Area of Research:

Cultural variation in the autobiographical memory; self, decision-making, and well-being.

Pre-Requisites:

Minimally an undergraduate degree and a strong interest in cognitive science and consciousness studies.
